

BA Performance in BSL and English Programme Costs

Undergraduate Programmes within the School of Drama, Dance, Production and Film have a range of associated costs related to the specific activities required and advised by the programme team.

In order to ensure fairness and parity of experience in relation to certain core programme activities a one off payment to cover a proportion of necessary costs is required of the student at matriculation.

Please see the table below which details additional costs to assist with budgeting:

Year 1	Item	Cost (approx.)
