

EDITH COWAN UNIVERSITY

ECU STUDY ABROAD & EXCHANGE 2016

Our world is more dynamic than ever before, creating new ideas and new possibilities.

So how do you engage with this ever-changing environment?

You learn. And the best way to learn is from experience.

Edith Cowan University (ECU) is a university for our times, where students learn in hands-on environments and in industry relevant courses. Our lecturers have extensive experience in their fields and place the needs of students above all else.

We're a university where you can learn the combination of theory and practical skills needed to take advantage of every opportunity. Skills that will allow you to understand and meet new challenges, and to thrive in an evolving world.

Are you ready?

Apply to ECU for 2016.

ECU is committed to reconciliation and recognises and respects the significance of Aboriginal and Torres Strait Islander peoples' communities, cultures and histories. ECU acknowledges and respects the Aboriginal and Torres Strait Islander peoples, as the traditional custodians of the land. ECU acknowledges and respects its continuing association with Nyoongar people, the traditional custodians of the land upon which its campuses stand.

Who was Edith Cowan?

Born in 1861 in Western Australia, Edith Dircksey Cowan believed education was the key to growth, change and improvement.

Edith's contribution to the development of Western Australian education was significant. She strove to achieve social justice and campaigned for the rights of women, children and families, for the poor, the poorly educated and the elderly. So it's fitting that the oldest education institution and newest State university, Edith Cowan University, bears her name.

Important Dates

ACADEMIC DATES 2016

SEMESTER 1 (FEBRUARY START), 2016

ECU Orientation Period	8-19 February, 2016
My International Day Event	17 or 19 February, 2016
First day of classes	22 February, 2016 (students studying through WAAPA start 15 February)
Mid-Semester Break	11-15 April, 2016
Last day of classes	27 May, 2016
Examination period	6-17 June, 2016

SEMESTER 2 (JULY START), 2016

ECU Orientation Period	11-22 July, 2016
My International Day Event	20 or 22 July, 2016
First day of classes	25 July, 2016 (students studying through WAAPA start 18 July)
Mid-Semester Break	26 September – 30 September, 2016
Last day of classes	28 October, 2016
Examination period	7-18 November, 2016

ECU has been named in the Times Higher Education (THE) 100 under 50 rankings for 2015.

Recognising the world's 100 best universities less than 50 years of age, the rankings are a global showcase of a new breed of university. They focus on performance indicators such as teaching, research and international outlook, and highlight universities that are developing at an exceptional rate.

ECU is proud to be recognised for its research productivity, research influence, quality of teaching, industry innovation and international focus. And we're looking forward to building on this success in 2016.

Vice-Chancellor's Message

There are many benefits in overseas study. It gives you the opportunity to travel to exciting destinations while also gaining credits towards your degree. It provides opportunities for personal growth and improving employment

options. It also looks great on a résumé and may give you a competitive edge in a tight employment market.

At ECU, we appreciate that choosing a destination is a big decision. Finding a good fit for your academic and professional goals as well as the right 'home-away-from-home' is important. With ECU's extensive range of subject areas, quality teaching, great facilities, welcoming culture and friendly environment, coupled with our location in the beautiful state of Western Australia, we hope that your decision is made easier.

Teaching at ECU is designed to get you job-ready and equip you with the skills and knowledge upon which to build a rewarding career. Our campuses at Joondalup, Mount Lawley and the South West (Bunbury) each have their own culture, yet they are united by the incredible diversity of the people working and studying there.

The many exciting opportunities available to you through the ECU Study Abroad and Exchange Program are detailed in this brochure. For more information, our friendly staff are available to talk to you about ECU as your potential study abroad destination.

Make this your milestone year and find out more about how ECU's Study Abroad and Exchange Program can help you reach your potential.

Professor Steve Chapman
Vice-Chancellor
June 2015

ECU Student Central Message

We are very pleased that you are interested in studying abroad at Edith Cowan University (ECU) in Perth. Overseas study experiences can have a great impact on your personal and professional life and the opportunities for growth are endless. There is no better way to learn about Australia as a country and culture than to study as a student here. ECU offers a rich educational experience in a variety of study fields. Perth, located in Western Australia, boasts some of the world's best beaches and scenic countryside.

If you are considering a study abroad or exchange opportunity, we invite you to contact us so we can tell you more about how ECU can enrich your life and degree.

About Perth

Perth, located in Western Australia (commonly referred to as WA), is Australia's sunniest capital, averaging 3000 hours of sunshine per year. Perth is the only Australian capital where you can appreciate the beach lifestyle, savour world-class local wines, stare at a beautiful ocean sunset and unwind in the bushland, all within a 30-minute drive from the city centre.

BEACHES

Australian beaches are considered some of the most beautiful beaches in the world, and Perth beaches are a perfect example. Perth has 19 beautiful white sand beaches, so there is one to suit your needs: Cottesloe for swimming, surfing, and snorkelling (a definite favourite amongst teens and young adults); Scarborough for stellar windsurfing and surfing conditions; Trigg for surfing and catching the most magnificent waves; City Beach for body boarding or fishing; and Floreat for relaxing and enjoying the sound of the waves.

CLIMATE

Perth has a Mediterranean climate with hot dry summers and mild wet winters; there is very little rainfall in summer with most of the rainfall coming in winter. However, even in winter, Perth still enjoys plenty of warm sunshine, so it is no wonder Western Australians love the outdoors.

PERTH HAS FOUR DISTINCT SEASONS:

Season	Month	Average maximum temperature	Average minimum temperature	Average days of rainfall per month	Average hours of sunshine per day
Summer	Dec/Jan/Feb	29°C	17°C	4	11
Autumn	Mar/Apr/May	24°C	14°C	9	7
Winter	Jun/Jul/Aug	18°C	10°C	18	5
Spring	Sep/Oct/Nov	21°C	12°C	11	9

PERTH

FOOD

Strong multiculturalism and immigration has contributed to Perth's diverse cuisine. Indeed, Perth offers a wide variety of cuisines such as Thai, Chinese, Indonesian, Malaysian, Mexican, Italian, Vietnamese, Singaporean, Indian, Japanese and Korean. Most restaurants use produce from local organic market gardeners and fresh seafood from local fisheries.

TIME ZONE

Perth's local time is eight hours ahead of Greenwich Mean Time, which is the same time zone as many countries in Asia.

LIVING IN PERTH

Perth is located in the South West region of Western Australia. The city centre is situated along the banks of the Swan River, between the Darling Ranges and the Indian Ocean. The Economist Intelligence Unit has rated Perth one of the top 10 most liveable cities in the world for the past 11 years (2004-14).

POPULATION

Australia	23 million
Western Australia	2.43 million
Perth	1.80 million

THINGS TO SEE AND DO IN PERTH

- Visit Perth City
- Treat yourself to a day of shopping, great food and arts in Fremantle
- Go on a picnic at Kings Park and Botanic Garden
- Enjoy a multitude of festivals
- Take the ferry for a day-trip to Rottnest Island

THINGS TO SEE AND DO IN WESTERN AUSTRALIA

- Escape to the Pinnacles – one of Australia's most unique landscapes
- Swim with bottlenose dolphins at Monkey Mia
- Enjoy the exquisite cheeses, jams, olives, seafood and wine from the Margaret River region
- Experience one of Earth's last ocean paradises: Ningaloo Reef
- Venture across Karijini National Park by four-wheel drive

Salmon Bay, Rottnest Island

Study Abroad or Exchange at ECU

One of the great things about studying abroad or on exchange at ECU is that you can pick and choose units from the many study areas offered across the university. If you are still deciding what career path you would like to pursue, why not study a bit of everything while at ECU to get a taste of what options there are out there.

We offer a supportive study environment with approachable teaching staff, as well as a range of support staff including counsellors and learning advisers, to assist you on your learning journey.

We are known for our award-winning facilities and are at the forefront of providing innovative education and training solutions. Our campuses offer sporting and fitness facilities, recreational and social clubs and societies, cafés, childcare centres, security services and more, all to enhance your university experience.

MEET NEW PEOPLE

With 23,300 students, including 3,600 international students originating from 104 countries, you are bound to meet interesting people and make lots of new friends!

ECU STUDY ABROAD AND EXCHANGE PROGRAM

The ECU Study Abroad and Exchange Program offers an enriching international experience that can help you reach your potential through broadening your academic, professional and personal horizons.

Through the ECU Study Abroad and Exchange Program, you can study at ECU for one or two semesters as part of your degree in your home country.

The ECU Study Abroad and Exchange Program attracts over 100 international students each year from many countries including Austria, Belgium, Canada, China, England, France, Germany, Hong Kong, Japan, the Netherlands, Norway, Sweden, Taiwan and the United States.

Exchange Students

If your home university has an official exchange agreement with ECU, you can apply through your home university to be nominated to ECU as an exchange student. As an exchange student at ECU, you continue to pay your tuition fees to your home university while on exchange and you would not pay any tuition fees to ECU. You should contact the International Office at your home university for further information on how you can be nominated to ECU as an exchange student.

Study Abroad Students

If your home university does not have an official exchange agreement with ECU or if your home institution is unable to offer you an exchange place at ECU, you could apply to study at ECU as a study abroad student. Study abroad students pay a set study abroad tuition fee per semester to ECU, which is subject to annual change.

What does the study abroad and exchange program include?

- ECU Enrolment (prior to arrival):
We know how important unit selection and enrolment is when studying abroad, so you will be able to enrol online for your semester prior to your arrival here. We can assist you with this.
- Pre-departure information.
- Arrival reception.
- Orientation Program including My International Day welcome.
- Buddy Program: You can register to be matched up to a current ECU student volunteer (buddy) to help you adjust more quickly to your new academic and cultural environment.
- Involvement with the ECU community: You will be invited to promote your home country and university through participation in our annual promotional events.
- ECU Statement of Academic Record (Transcript): You will receive one free official transcript showing the ECU units you complete and the grades/marks received.

Our Campuses

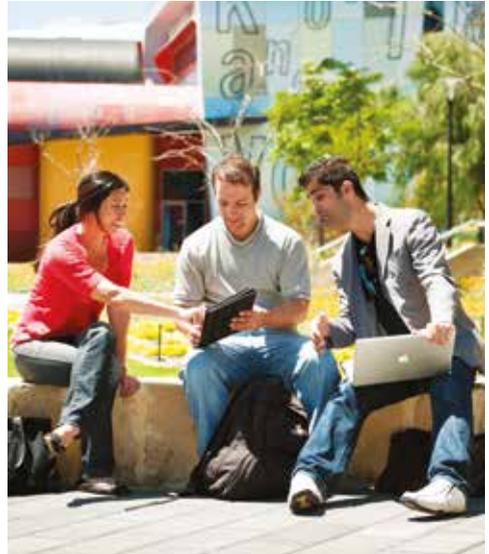

ECU JOONDALUP

Our Joondalup Campus is set within beautiful surroundings and its spacious grounds provide a great place for students to study and relax.

During the summer months, we host the Lotterywest Festival Films at the ECU Joondalup Pines Outdoor Cinema, where moviegoers can enjoy watching a diverse line-up of international films.

ECU MOUNT LAWLEY

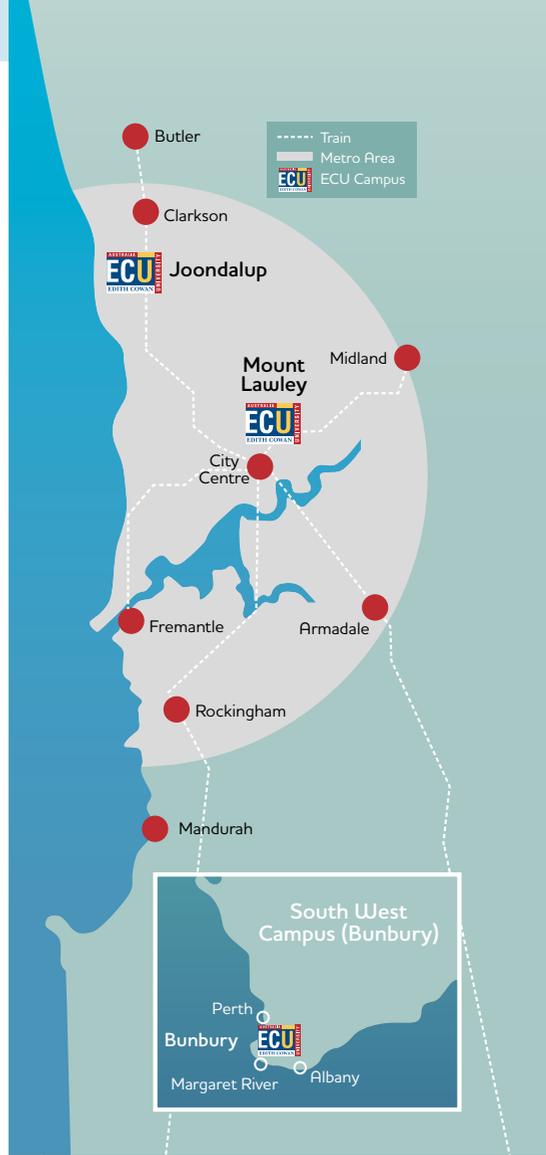

Located in the trendy suburb of Mount Lawley and close to Perth Central Business District (CBD), you can't help but be inspired by the artistic vibe at our Mount Lawley Campus. Courses are offered in arts, business, communications, computing and security, creative industries and teacher education.

ECU SOUTH WEST

Located less than 200km south of Perth, our South West Campus in Bunbury is the largest university campus in regional Western Australia. Courses are offered in arts, business, nursing, science, social work and teacher education.

TRANSPORT

All of our campuses can be accessed conveniently via public transport. Our Joondalup Campus is just a five minute walk from Joondalup train station, plus there is also a free bus service available between the campus and the train station. Buses run frequently between ECU Mount Lawley and

Perth CBD daily, and there are also direct bus services to many bus stations in the surrounding suburbs. A number of bus routes travel past ECU South West, and a few end at the Bunbury Health Campus, which is just a short walk away.

Accommodation and Fees

At ECU, we have excellent on-campus accommodation on all three of our campuses. Brand new accommodation is available at our Joondalup Campus.

ON-CAMPUS ACCOMMODATION

Campus Living Villages (CLV) manages our accommodation on the Joondalup, Mount Lawley and Bunbury campuses. No matter which campus you are on, you will enjoy an exciting residential life program and a vibrant student community, all located minutes from the University's main facilities.

Apartments are fully furnished with private bedrooms, large kitchens and spacious lounge areas, so you will have plenty of space to hang out with friends and flatmates.

Due to the high demand for on-campus accommodation, we recommend that you visit www.ecuvillage.com.au and make your online application early.

Current Prices:

Please note that rates displayed are 2015 full-year weekly rates.

Single room	From: \$239 / week
Multi bed apartment (six bedrooms)	From: \$192 / week

OFF-CAMPUS ACCOMMODATION

Homestay

You can also choose to live in a private home with an Australian family. The chance to be involved in the daily life, the learning of our culture and customs, plus the added advantage of having the company of other people are just some of the reasons Homestay is popular. The prices for Homestay are currently:

Placement Fee

There is a \$240 administration fee for placement in a Homestay home.

These prices may vary depending on individual arrangements. You can request a homestay placement before leaving your home country and you will be notified of your family details so that you can go straight to your homestay family from the airport.

Visit www.homestaynetwork.org/edith-cowan-university for more information.

Rental Accommodation

Some students choose to rent an apartment, townhouse or house on their own or with fellow students. Houses are usually more expensive than apartments and the rent varies depending on the size, condition and location. Private accommodation is either rented furnished or unfurnished.

Support

If you want to find off-campus accommodation, the ECU Village hosts an online list of off-campus accommodation options close to each campus. To find the list go to www.ecuvillage.com.au, select a campus, go to location and select off-campus accommodation.

ECU Village, Joondalup Campus

ECU Village, Mount Lawley Campus

FEES

Tuition fees are only applicable for study abroad students as exchange students do not pay their tuition fees to ECU.

The indicative study abroad tuition fee rates for 2015 are:

3 units:	AUD \$7,350
4 units:	AUD \$9,800

Some units may have additional fees attached to them that must be paid by the student. For example if a unit includes a field trip or has special lab needs.

Other Expenses

You will be responsible for purchasing textbooks and any equipment required for your course. The cost of these items varies widely from one course to another. Other expenses that you may incur include food, parking, consumables such as stationery and photocopying, as well as transport costs to and from university, including any work placements or off-campus activities.

Living Costs

Whether you live on-campus or off-campus, you should budget about \$365 per week. Please note that this does not include tuition fees, textbooks, running a car or holiday travel.

If you bring your spouse/children with you to Australia, you will need to allocate a significantly larger amount per week and you should consider additional expenses such as school fees and childcare costs (if applicable).

OVERSEAS STUDENT HEALTH COVER

If you are applying for a Student Visa, you are required to arrange Overseas Student Health Cover (OSHC) before your arrival in Australia, and maintain cover for the full length of your visa.

OSHC is a basic health insurance product designed to be equivalent to Medicare (for Australian citizens). It covers emergency medical conditions, public hospitals and most of the costs of visiting a doctor. Please note that pre-existing illnesses may not be covered. Additional cover for private hospitals and supplementary services such as dental, optical and physiotherapy is available at additional cost.

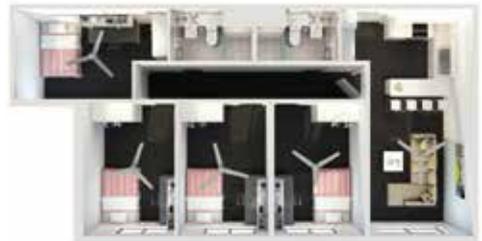

ECU can assist you in arranging cover on your behalf.

Cost

Single	\$585 / year
Family	\$2,865 / year

*Subject to change.

Note: All amounts listed in this section are in Australian Dollars.

Apartment plan view

Facilities, Services, Access and Support

At ECU, we provide a supportive learning environment through our excellent range of facilities, services and support programs.

STUDENT CENTRAL

On each campus, Student Central is your point of reference for all enquiries regarding academic progress and enrolment assistance, as well as for a range of support services, including access cards, lodgement of forms and parking permits.

ACADEMIC SUPPORT

Our Learning Advisers are always on hand to assist you with a range of study skills and advice on preparing assignments. They conduct workshops, prepare academic skill resources, support other academic staff in promotion of tertiary literacy skills and see students one-on-one and in group consultations.

ADDITIONAL SUPPORT

- Fully-equipped, modern libraries
- 24-hour on-campus computing facilities
- Faculty Student Information Offices
- Academic Mentoring
- Volunteering Program

SECURITY AND PARKING

- 24-hours, 7 days a week security service
- Well-lit pathways
- Emergency phones
- Over 5,000 parking bays across all campuses
- Night security escort to your car is available

EQUITY, DIVERSITY AND DISABILITY

ECU's Equity, Diversity and Disability (EDD) Services support students whose studies may be affected by a medical condition or disability in accessing support and services that can help them succeed. EDD staff can assist with arranging alternative assessment conditions, access to some aids and equipment, note taking, interpreting and transcription services. Every campus has a specially designed Accessible Technologies Room that provides students with access to adjustable chairs and desks, specialised software, computer, scanner and other adaptive technology. All ECU locations have access for people with disabilities. Visit www.ecu.edu.au/about-ecu/our-campuses/campus-maps for details and to view ECU's access and mobility maps.

FAMILY SUPPORT

- Childcare
- Parenting rooms
- Crèche
- ECU Kids Holiday Program (Joondalup and Mount Lawley)

RECREATIONAL AND SOCIAL OPPORTUNITIES

- Student Guild
- Clubs and societies
- Intersports
- Taverns (Joondalup and Mount Lawley)

HEALTH AND WELLBEING

- Medical Centres (Joondalup and Mount Lawley)
- Free Counselling service
- Multi-faith Chaplaincy service (Joondalup and Mount Lawley)
- Fully-equipped sports, recreation and fitness centres (Joondalup and Mount Lawley)
- Mini-gym and playing courts (Bunbury)

FOOD AND RETAIL

- Bookshops
- ATMs
- Hairdresser (Joondalup)
- Optometrist (Joondalup)
- Cafés and other food outlets

Relevant and Flexible Study Options

As an exchange or study abroad student at ECU you can pick and choose units from the many study areas offered across the university to make up your individual semester schedule.

So whether you need to find specific units that match back to your degree in your home country, or you are looking to study something completely new, you're sure to find units at ECU to suit your needs.

WHAT IS THE DIFFERENCE BETWEEN A UNIT AND A COURSE?

The individual classes that you can take at ECU are known as 'units' (sometimes referred to as 'modules' or 'courses' at institutions in the northern hemisphere).

The word 'course' at ECU actually refers to a full degree program, not the individual units. As a study abroad or exchange student at ECU, you will not be studying towards an ECU course/degree program. You will instead be able to choose individual units from across our different study areas.

HOW MANY UNITS WILL I STUDY DURING MY SEMESTER AT ECU?

At ECU, a standard full-time semester study load is 60 credit points in the ECU credit system. Most ECU units are worth 15 credit points, so students will study four units per semester to make up their full-time semester

study load. However, as some ECU units are worth 10 or 20 credit points, the number of ECU units you take to make up your 60 credit points for your semester may vary.

You should speak to the International Office at your home institution for advice on how the units you study at ECU will be credited back to your home institution degree. Academic credit transfer is at the discretion of your home institution.

WHAT WILL MY ECU SEMESTER STUDY TIMETABLE LOOK LIKE?

There are thirteen teaching weeks during the ECU semester and you will normally have classes each week for each unit you are enrolled in. The ECU semester also includes a mid-semester break (normally one week where you can catch up on class work or do some travel to explore the surrounding the areas) as well as a study week before the commencement of the examination period at the end of the semester.

The total number of contact hours per week that you will have on campus for your classes will depend on the number and type of units you select.

Sample of a weekly class timetable:

	Monday	Tuesday	Wednesday	Thursday	Friday
8:30am		MAT1108			
9:30am		(LAB)		MAN1100	FRE1101
10:30am	MAN1100			(LEC)	(SEM)
11:30am	(LEC)				
12:30pm	Lunch				
1:30pm	MAT1108				
2:30pm	(LAB)	SCH1101		SCH1101	
3:30pm		(TUT)		(TUT)	
4:30pm					

FINDING YOUR UNITS AT ECU

The best way to search for units at ECU is to visit the latest available ECU Handbook <http://handbook.ecu.edu.au>. From the Handbook you can:

- 1) Enter a keyword or subject title in the search box. You will be given a list of courses, unit sets or units that contain that keyword or title. You may need to peruse through the various courses to find particular units in your subject area.
- 2) You can refine your search by using the 'Filter Search' function on the left hand side. This will help you search via our Faculties or by Postgraduate or Undergraduate.
- 3) You can find when a particular unit is offered and on which campus by searching the ECU Semester Timetable <http://apps.wcms.ecu.edu.au/semester-timetable/overview>. You will need to enter the Unit Code or the Unit Title into the semester timetable search fields. For example, Semester 2, 2015 is indicated as 152 in the timetable, Semester 1, 2016 will be 161 and Semester 2, 2016 will be 162.

The Handbook will show the unit code and title (for example, MKT3120 International Marketing) and provide a brief description of the unit, how many credit points it is worth as well as listing any prerequisite requirements that need to be satisfied before enrolment can be approved in that unit.

Make sure you find more units than you will need as not all units listed in the ECU Handbook are offered every semester.

We suggest you select all your units from one campus to minimise travel time between campuses.

You also have the option of studying units within ECU's Kurongkurl Katitjin – Centre for Indigenous Australian Education and Research or you can experience regional Western Australia by studying units on the ECU South West (Bunbury) Campus.

Further information about the above study areas, including sample units offered, is provided on the following pages.

“PERTH IS THE IDEAL PLACE TO STUDY ABROAD.”

Perth is a beautiful city filled with friendly people from all around the world and great in terms of the dance / artistic scene.

I met so many wonderful people at ECU and feel privileged to have had the chance to study at the prestigious Western Australian Academy of Performing Arts.

Keerati Jinakunwiphat
State University of New York at
Purchase College

Study Areas

There are a range of ECU units at both undergraduate and postgraduate levels offered through our schools across the following 12 study areas:

- Biology & Environmental Science
- Business
- Communications & Arts
- Computing & Security
- Engineering & Technology
- Exercise & Health Science
- Law & Justice
- Medical & Paramedical Sciences
- Nursing & Midwifery
- Psychology & Social Science
- Teacher Education
- Western Australian Academy of Performing Arts

STATE-OF-THE-ART FACILITIES

Our science students and researchers have access to excellent facilities and equipment in the University's state-of-the-art, award-winning, \$28 million Science and Health Building.

The building includes a range of environmentally-friendly features to reduce energy consumption, by maximising the use of rainwater, solar energy and natural light. The principles of sustainability are also reflected in its design.

Biology & Environmental Sciences

When it comes to studying in the areas of science and the environment, ECU's world-class research in environmental science (Excellence in Research for Australia, 2010) and recognised excellence in teaching quality (The Good Universities Guide, 2015) leaves other universities green with envy. You will find a range of practical degrees that can lead to distinctly different careers in fields such as marine and freshwater biology, environmental management, conservation and wildlife biology, and more.

Sample units

There is a broad range of natural science units that you can choose from when studying abroad at ECU. Below is just a sample of some of the interesting units available.

Biological Sciences

SCI2112	Molecular Biology and Biochemistry
SCI2116	Diversity of Life
SCI2117	Genetics and Evolution
SCI3114	Ecophysiology
SCI3122	Evolution and Systematics

Environmental Management

SCM2104	Geographical Information Systems
SCM2110	Marine and Freshwater Processes
SCM2201	Soil and Land Processes
SCM3201	Conservation Biology
SCM3203	Environmental Impact Assessment
SCM3204	Ecosystem Management

Find out more about ECU's School of Natural Sciences: www.ecu.edu.au/schools/natural-sciences/overview

Business

At ECU's School of Business, we provide you with up-to-date theoretical knowledge, practical experience and important employability skills that can be used both locally and internationally. We offer a range of majors and courses leading to a diverse choice of careers. Our graduates have found employment in a variety of fields across the country and the world. So get set for a rewarding and successful career as a job-ready graduate.

There are a range of business units on offer at ECU for you to choose from, including Accounting, Event Management, Finance, Hotel Management, Human Resource Management, International Business, Law in Business, Management, Marketing, Planning, Project Management, Sport Management, Tourism & Hospitality Management. So whether you're an aspiring Strategic Planner, Sport Event

Manager, Project Manager, Hotel Manager, Marketing Executive, Investment Adviser, Travel Guide, Business Manager or Diplomat or you are looking to add an international edge to your business studies, you're sure to find what you need at ECU.

Sample units

There is no short supply of business units on offer when studying abroad at ECU. Below is just a sample of some of the interesting units available.

Accounting and Finance

ACC1100	Accounting I
ACC2360	Managerial Accounting
ECF1120	Finance I
ECF2210	Capital Markets
ECF3312	Financial Institutions Management

“ECU AND PERTH DEFINITELY LIVED UP TO MY EXPECTATIONS.”

ECU's facilities are bright, warm and inviting and the lecturers really show an interest in helping their students learn. The Student Guild did an amazing job at putting on social events for international students to get involved in the campus life.

Perth has proven to be a dynamic and interesting city – making it a great place to study! There are many cool places to see around Perth, such as Kings Park, Rottnest Island, Fremantle, and the Swan Valley. The best thing about Perth, however, has to be the ocean. Perth has many white sandy beaches, all suitable for different purposes, and they are truly the most beautiful ones I have ever seen!

Going on exchange is a great way to learn about yourself and grow as a person – which is perhaps the most beneficial aspect of the experience. So I definitely encourage other students to take up the opportunity!

Benjamin Rupe
University of Northern Colorado

Business Edge

Communications & Arts

Communications and Arts at ECU offers a diverse range of programs in communications, media, design, arts and the humanities. We aim to maximise your employability by developing your hands-on skills and providing you with a solid theoretical background. Our course structures allow you to specialise in one area or gain expertise in multiple areas, providing you with the multi-skilling required to succeed in many of today's arts and communications industries.

STATE-OF-THE-ART FACILITIES

Studying at ECU provides you access to a state-of-the-art education environment. There is 24 hour, 7 days a week access to computer labs with printing facilities and the latest software, as well as our artists' studios and edit suites in Mount Lawley. Need equipment for a project? The very best video, audio and photographic equipment is also available for loan from our Mount Lawley based on-campus Media Store. And when you are ready, we'll showcase your work through festivals, exhibitions, competitions and broadcast media.

Sample units

SPECTRUM PROJECT SPACE AT MOUNT LAWLEY CAMPUS

The Spectrum Project Space is a purpose-built venue to exhibit the work of ECU staff and students. With the support of ECU, students learn how to install and present their work to the public in a professional exhibition space. It is a unique concept and the exhibitions include the visual and performing arts, design and media, and text and sound.

Computing & Security

Recognised as a leader in cyber security research, our Computing and Security courses offer an extensive range of units across a variety of exciting subjects.

Sample units

There is a wide range of security and computing units that you can choose from when studying abroad at ECU. Below is just a sample of some of the interesting units available.

Computer Science

CSD2242	Computer Graphics Methods
CSP2107	Game Design and Production
CSP2307	Introduction to 3D Game Programming
CSP2103	Markup Languages

Computer Security and Cyber Security

CSG2305	Computer Forensics
CSG3308	Wireless Security
CSI3208	Ethical Hacking and Defence

Counter Terrorism Security and Intelligence

CSI2104	Introduction to Information Warfare
SCY1130	Terrorism and International Security
SCY2112	Counterterrorism
SCY2120	Applied Intelligence

Games Programming

CSD2242	Computer Graphics Methods
CSP2107	Game Design and Production
CSP2307	Introduction to 3D Game Programming

Information Technology and Web Technology

CSG1132	Communicating in an IT Environment
CSG1207	Systems and Database Design
CSG2431	Interactive Web Development

“MY EXPERIENCE AT ECU IN PERTH HAS BEEN FANTASTIC!”

ECU's facilities, lecturers, and students have all been excellent. In Perth, I feel closer to nature. Whenever I need to relax or when I want to take a break from my studies, I always end up at Kings Park or at one of Perth's many beaches.

Studying abroad has given me the opportunity to appreciate my country's culture as well as other countries' culture; a truly once in a lifetime experience!

Haruka Aikawa

Tokyo Metropolitan University

Engineering & Technology

Study Engineering and Technology at ECU and you will be studying at the fastest growing Engineering and Technology School in Australia. With a wide choice of disciplines to choose from, multimillion dollar laboratory facilities, and industry experienced lecturers, this could be the start of an incredible journey.

Sample units

There is no short supply of engineering units on offer when studying abroad at ECU. Below is just a sample of some of the interesting units available.

PURPOSE-BUILT LABS WITH A FOCUS ON STUDENTS

ECU Engineering and Technology students learn in world-class, multimillion dollar facilities featuring purpose-built labs and project spaces, all designed with a focus on students. The main engineering building also features sustainable systems and infrastructure that both decreases its carbon footprint and provides students access to real systems for sustainable energy education. Many of our labs have been set up in collaboration with industry, like our automation and control laboratory developed in conjunction with our industry partner Schneider Electric. As a student you will learn in a real world environment.

Aviation

SCA1113	Aircraft Propulsion 1
SCA1117	Human Factors in Aviation
SCA1125	Fundamentals of Flight
SCA1229	Aviation Meteorology

Chemical Engineering

ENS2160	Thermodynamics
ENS2170	Principles of Industrial Maintenance
ENS3110	Heat and Mass Transfer

Civil Engineering

ENS2107	Marine and Offshore Engineering and Design
ENS2260	Surveying and Site Measurement
ENS3242	Soil Mechanics and Foundation Engineering

Electrical Power

ENS3220	Electrical Machines and Transformers
ENS4360	Power Electronics
ENS4445	Sustainability and Renewable Energy

Mechanical Engineering

ENS3105	Mechanical Design and Development
ENS3245	Steel Design
ENS4442	Robotics 1

Motorsports

ENM1101	Race Car Anatomy
ENM2209	Race Car Systems
ENS2106	Motorsports Design and Development

Technology

ENS2456	Digital Electronics
ENS2344	Computer Architecture
ENS3556	Wireless Communication

Exercise & Health Science

Exercise and Health Sciences encompasses a number of exciting areas of study, including health science, exercise and sports science, occupational therapy, and sports science and football. Students have access to state-of-the-art facilities including occupational therapy suites and specialised laboratories for exercise and sports science, occupational safety and health, and nutrition – all of which allow students to put the theory into practice. Courses can lead to rewarding careers in health promotion, nutrition, occupational safety and health, exercise and sports science, occupational therapy, and more.

Sample units

With such a wide variety of units on offer within exercise and health science, you're sure to find something to suit your needs. Below is just a sample of some of the interesting units available.

Addiction Studies

ADS1151	Addiction Studies: Fundamental Concepts
ADS1252	Addiction Studies: Psychoactive Drugs
ADS2253	Addiction Studies: Processes of Change
ADS2356	Addiction Studies: Intervention Initiatives

Environmental Health

ADS3355	Addiction Studies: Social Action
---------	----------------------------------

Exercise and Sports Science

SPS1109	Fundamentals of Football Coaching
SPS2103	Sports Biomechanics 1
SPS2202	Care and Prevention of Injuries
SPS2301	Exercise Rehabilitation
SPS3101	Psychology of Sport and Exercise

Health Science

HST1111	Population Health
HST1121	Personal Health
HST1152	Introduction to Occupational Health and Safety
HST2184	Communicable Disease Control
HST2185	Environmental Disease
HST3186	Food Safety and Water Quality

Nutrition

NUT1111	Food and Nutrients
NUT1121	Human Nutrition
NUT2220	Nutritional Assessment
NUT3215	Exercise Nutrition

Law & Justice

Whether you dream of being a first-class lawyer or aim to make a difference in the world by fighting for justice through other fields, our Law and Criminology courses can help you get there. Our established and accredited courses have been developed in consultation with industry and will help you achieve your aspirations of a challenging and rewarding career. Our courses aim to equip you with the skills that employers seek through many hands-on learning opportunities including moot competitions and psychology and lab units.

ENGAGE WITH INDUSTRY

Many of our Law and Justice staff draw on their industry experience to create challenging classroom environments and discussions that address real-world issues. Our lecturers and tutors are committed to actively engaging with industry and the community to ensure students receive opportunities to develop their professional skills and academic theory through relevant work placements.

HANDS-ON EXPERIENCE WITH THE ON-CAMPUS LEGAL CENTRE

ECU Law students may have the opportunity to work with real cases, under the supervision of legal practitioners, at the on-campus Northern Suburbs Community Legal Centre. The Centre provides legal information and advice to the community in the areas of family and criminal law, domestic violence, tenancy, elder abuse and some areas of civil law. This partnership provides vital experience for our Law students.

Sample units

There is no short supply of law, criminology and justice units on offer when studying abroad at ECU. Below is just a sample of some of the interesting units available.

Criminology and Justice

CRI1106	Minority Groups as Offenders and Victims
CRI1111	Law and Order
CRI3103	Juvenile Justice
CRI3104	Organised Crime
CRI3109	International Human Rights

Forensic Investigation

CRI1104	The Psychology of Criminal Behaviour
CRI2106	Victimology
CRI3108	Justice and Forensic Science

Law

LAW1113	Criminal Law 1
LAW2600	Terrorism and the Law
LAW2602	Environmental Law and Administration
LAW3106	Evidence
LAW4108	International Law

Find out more about Law and Justice at ECU: www.ecu.edu.au/schools/law-and-justice/overview

Medical & Paramedical Sciences

ECU's School of Medical Sciences offers a range of units in the field of Biomedical Science, Medical Science and Paramedical Science, laying the groundwork for future careers in health and medicine, medical science, human biology, laboratory-based research, education, and emergency medical services.

MEDICAL SCIENCE STUDENTS LEARN IN STATE-OF-THE-ART FACILITIES

ECU's science laboratories are equipped to train medical science and biomedical science students in microbiology, genetics, haematology, and biochemistry. Students have access to equipment for the isolation, purification and identification of microbiological organisms, and for the extraction, purification and amplification of DNA. ECU also houses outstanding facilities with state-of-the-art equipment for cell, DNA, RNA and protein isolation and characterisation, electrophoresis, automated microscopy and digital imaging, in addition to a fully-equipped histology laboratory.

Sample units

With the range of units on offer, you're sure to find medical science units at ECU to meet your study needs. Below is just a sample of some of the interesting units available.

Biomedical Science and Medical Science

SCH1105	Introduction to Pharmacology
SCH1111	Fundamental Biomedical Techniques
SCH1132	Human Evolution and Ecology
SCH1133	Human Genetics
SCH1134	Human Structure and Function
SCH1143	Systems Physiology
SCH2142	Forensic Genetics
SCH2226	Human Molecular Genetics
SCH2232	Medical Biochemistry
SCH2235	Applied Microbiology
SCH3145	Biomedical Ethics
SCH3223	Medical Genetics
SCH3227	The Biology of Human Disease
SCH3236	Pharmacology
SCH3239	Human Immunology
SCH3244	Developmental Biology
SCH3434	Human Reproduction, Development and Ageing

Find out more about Medical Sciences at ECU:
www.ecu.edu.au/schools/medical-sciences/overview

Nursing & Midwifery

ECU's renowned Nursing program is the largest in Western Australia. Courses provide students with access to state-of-the-art health and wellness facilities featuring demonstration and clinical practice wards, health simulations that encourage scenario-based learning and practicum placements with a range of off-campus health providers.

ECU'S OUTSTANDING HEALTH AND WELLNESS FACILITIES

Our purpose-built Health and Wellness building incorporates health demonstration and clinical practice wards that provide a safe, authentic environment for clinical skills development, and are designed to increase the competence and confidence of students. The demonstration wards contain 52 beds that meet Australian healthcare standards. Additionally, students have the opportunity for experiential hands-on practice to learn nursing and midwifery skills in a variety of simulated healthcare settings.

Sample units

If you are looking to continue your nursing studies while studying abroad at ECU, you're sure to find what you need from the many units on offer. Below is just a sample of some of the interesting units available:

Midwifery

NMW1109	Physiological, Psychosocial and Emotional Issues in Pregnancy
NMW1111	Midwifery Principles and Beginning

Competencies

NMW2106	Antenatal and Postnatal Care
NMW4114	International Dimensions of Midwifery

Nursing

NCS1101	Health and Healthcare Systems
NCS1102	Professional Conduct and Communication

NCS2101	Adult Health
NCS2102	Mental Health and Illness
NST2106	Mental Health Problems and Disorders
NCS2202	Culture and Health
NNT2405	Introduction to Medical Surgical Nursing
NCS3101	Child and Adolescent Care
NCS3102	Primary Health Care

*You may be able to participate in a clinical placement while studying abroad at ECU with final approval required from the School of Nursing & Midwifery.

Find out more about Nursing at ECU:
www.ecu.edu.au/schools/nursing-and-midwifery/overview

Psychology & Social Science

At ECU, we offer nationally and internationally recognised courses across the areas of psychology, social science, children and family studies, community studies, human services, counselling and applied counselling skills, and youth work. Whether you want to explore the complexities of the human mind, be an applied and/or clinical psychologist, a social science practitioner or policy maker, provide advice, counselling services or assistance, there is an ECU course available to help you achieve your personal, professional and academic goals. What's more, students have access to lecturers who are active researchers, experienced clinicians and practitioners.

Sample units

There is no short supply of psychology and social science units on offer when studying abroad at ECU. Below is just a sample of some of the interesting units available.

Children and Family Studies

CHN1101	Ecology of Children and Families 1
CHN1103	Working with Infants and Toddlers
CHN3130	Purpose of Play
CHN3202	Child Rearing

Counselling

COU1101	Dynamic Models of Counselling
COU1202	Cross Cultural Therapeutic Practice
COU3101	Humanistic Models of Counselling
COU3202	Sexuality and Therapeutic Practice

Psychology

PSY1111	Psychology: History and Perspectives
PSY1204	Social Determinants of Behaviour
PSY2305	Individual Differences
PSY3343	Abnormal Psychology

Social Science

CSV1101	Introduction to Community Work
CSV1102	Introduction to Social Analysis
CSV3105	Gender Issues: Terms and Debates
CSV3109	Vulnerable People and Communities

Social Work*

SWK1106	Psychology for Social Work
SWK2010	Theory and Practice for Child Protection
SWK2111	Aboriginal Histories of the Present
SWK3120	Mental Health: An Addiction Focus

Youth Work

YWK1101	Principles of Youth Work
YWK1220	Youth Issues
YWK3203	Theories of Youth
YWK3211	Inclusive Youth Work Practice

*Social Work (SWK) units are only offered at the ECU South West (Bunbury) campus

Find out more about ECU's School of Psychology and Social Science: www.ecu.edu.au/schools/psychology-and-social-science/overview

CLOSE LINKS WITH INDUSTRY

By maintaining close links with the professions of psychology, children and family support, youth work, speech pathology, counselling, welfare and community work, we ensure the relevance of our courses and teaching, and students gain the skills and in-depth knowledge of current industry practice needed to make a difference in people's lives.

Teacher Education

If you see yourself among the next generation of outstanding teachers to make a real difference to young peoples' lives, ECU Teacher Education is where you begin. Our experienced academic team are world leaders in educational research, striving to find better ways to prepare quality teachers through research and community-based partnerships with schools. Our courses are practical and delivered in excellent facilities. If you aspire to teach, then join the oldest, largest and preferred School of Education in Western Australia.

Sample units

There is no short supply of education units on offer when studying abroad at ECU so you are sure to find something to suit your study needs. Below is just a sample of some of the interesting units available:

Early Childhood Studies

- ECS1265 Young Children's Learning and Development
- ECS2240 Guiding Children's Behaviour in Positive Learning Environments

Learning Environments

- ECS3260 Assessing and Evaluating Young

Children's Learning

- MUE2240 Music Arts in Early Childhood Education

Primary Education

- EDF3101 Working with Indigenous Australian Children, Youth and their Families
- EDU2260 Positive Learning Environments
- ICT1250 Multimodal Approaches to Teaching and Learning
- LAN1260 Spoken Language in Primary School

Secondary Education

- EDF3112 Working with Indigenous Australian Students and their Communities
- EDU2104 Diversity in the Secondary Classroom
- EDU2231 Creating Positive Learning Environments
- EDU4212 Building Professional Teaching Networks

ECU also offers education units focused specifically on Catholic Education, Creative Arts, Health and Physical Education, Managing Behaviour, Diverse Needs, Mathematics, Language Enrichment and Teacher Librarianship.

*You may be able to participate in a teaching placement while studying abroad at ECU with final approval required from the School of Education.

Find out more about Education at ECU:
www.ecu.edu.au/schools/education/overview

Western Australian Academy of Performing Arts

The Western Australian Academy of Performing Arts (WAAPA) at Edith Cowan University is one of the world's leading performing arts academies. WAAPA is recognised nationally and internationally for the quality of its graduates. It provides the most comprehensive range of performing arts training in Australia – both on stage and behind the scenes. Entry into each course is competitive, and prospective students undertake an audition and/or an interview as part of the application process.

Entry to study abroad in WAAPA's specialised programs is assessed on a case-by-case basis. Prospective students will need to undertake an audition and/or an interview as part of the application process with final approval required by WAAPA. In particular, the Music Department welcomes applications from talented individuals. With strengths in classical

performance, jazz, opera, composition and music technology, WAAPA is a creative and exciting environment in which to further your studies. A number of flexible options are available in music.

WAAPA UNITS AT ECU

WAAPA offer students from specific exchange partners the opportunity to study selected performing arts-related units while studying at ECU; however restrictions may apply. Students wishing to undertake units of study at WAAPA must contact the ECU Student Central office to receive advice on unit availability for any semester prior to submitting their application.

Find out more about ECU's Western Australian Academy of Performing Arts: www.waapa.ecu.edu.au

**“I CHOSE WAAPA BECAUSE
IT IS THE BEST DANCE SCHOOL IN AUSTRALIA
AND I WAS NOT DISAPPOINTED!”**

I absolutely loved my experience at WAAPA. The support I received from the lecturers and staff helped my transition to an English speaking university. I am so grateful that I was able to study abroad at the best dance school in Australia.

Will Tseng
Taipei National University of the Arts

Kurongkurl Katitjin – Centre for Indigenous Australian Education and Research

Kurongkurl Katitjin, pronounced koor-ong-kurl cut-it-chin, is a Nyoongar phrase meaning ‘coming together to learn’. Kurongkurl Katitjin, ECU’s Centre of Indigenous Australian Education and Research, plays a vital role in assisting the University to meet its commitment to Indigenous peoples.

We support University-wide activities and programs, as well as activities specific to Indigenous Australian people and their cultures. This includes:

- engaging closely with Indigenous people and communities;
- assisting Indigenous students and staff to realise their full potential;
- ensuring that individual differences and diversity are respected; and
- contributing to Indigenous community development and sustainability through our students, staff and graduates.

THE BUILDING AND ITS GARDENS

Completed in 2005, Kurongkurl Katitjin’s building was designed in consultation with Nyoongar elders to graphically represent Aboriginal culture and the Australian landscape.

The purpose-built premises is an iconic and colourful, three-storey, state-of-the-art building. Its colours represent the Aboriginal and Torres Strait Islander flags, as well as the Australian landscape. Nyoongar words about place and family are etched into the outer facades of the building. A constellation of the Southern Cross on the roof of the building signifies the link between Indigenous Australians and travelling the land.

Sample units

A selection of the following units are offered every semester.

ACS1122	Regional Studies: Nyoongar
ACS2122	Aboriginal Perspectives on the Environment
ACS2125	Aboriginal Perspectives on Schooling
ACS3133	Aboriginal Communities
EDF3101	Working with Indigenous Australian Children, Youth and their Families
EDF3201	Teaching Indigenous Australian Students
IAS3303	Political Economy of Indigenous Australia
IAS3104	Indigenous Peoples and the West
IAS3110	Indigenous Australians, Cultural Competence and Speech Pathology

Find out more about Kurongkurl Katitjin, ECU’s Centre for Indigenous Australian Education and Research: www.ecu.edu.au/schools/kurongkurl-katitjin/overview

ECU South West Campus

If you're looking for something different for your study abroad journey and want to experience life in regional Western Australia (WA) while still having the luxuries of a cosmopolitan city at hand, ECU's South West Campus is for you!

Located approximately 200km south of Perth in the beautiful Geopraphe region of South West WA, Bunbury is a vibrant city and hub of business, industry, culture and shopping. It is also the perfect base from which to explore the rich maritime history, green pastures, fertile orchards and wineries, sparkling coastal waters and fascinating marine life of the South West region.

ECU's South West Campus (Bunbury) is WA's largest university campus outside the metropolitan area and offers a comprehensive range of units in arts, business, coastal environmental science, nursing, teacher education, social work and surf science through our Faculty of Regional and Professional Studies. The South West Campus has modern facilities, small class sizes, on-campus accommodation and a relaxing environment for learning and socialising.

So why not escape the hustle of the city and experience the natural beauty of one of the world's biodiversity hotspots, by studying abroad at our ECU South West Campus!

Sample units

There is a range of units in arts, business, nursing, teacher education, science and social work offered at the ECU South West Campus through our Faculty of Regional and Professional Studies. If you wish to take units on our South West (Bunbury) campus, you will need to be located at this campus as it is approximately two hours south west of Perth.

Below is just a sample of some of the interesting units available.

Arts

CCI1103	Region and Culture
CCC1106	Popular Media
CCC2100	Pre-modernism
CCC2105	Modernism

Business

ACC1100	Accounting I
ECF1110	Economics I
MAN1100	Management I
MAN2120	Organisational Behaviour II
MAN3105	Business Ethics
MAN3121	Leadership III

Literature and Writing

CCC1101	Texts and Meanings
CCC3102	Writing for the Real
CCC3103	Literature and Social Change
CCC3106	Contemporary Australian Literature
CCC3108	Ecology and Literature
CCC3109	Speculative Fiction
CCC3210	Creative Writing
CCC3211	Narrative and Film
CCC3217	Writing for Publication
WRT1103	Creativity and Writing

Nursing

NSC1103	Clinical Sciences Introduction
NCS2102	Mental Health and Illness
NCS2101	Adult Health

Science

SST1112	Oceanography
SST2117	Meteorology
SST2122	Waves, Tides and Beaches
SST3130	Coastal Zone Management

Important Information

EDUCATION SERVICES FOR OVERSEAS STUDENTS (ESOS)

The Education Services for Overseas Student Act 2000 (ESOS Act) provides important safeguards for overseas students in Australia. The ESOS Act regulates the activities of education providers, like ECU, who deliver education and training to international students by setting standards and providing for tuition and financial assurance. ECU's teaching and support of international students are guided and monitored by the Department of Education under the Education Services for Overseas Students (ESOS) Framework. Visit www.aei.gov.au/Regulatory-Information/Pages/Regulatoryinformation.aspx for more information.

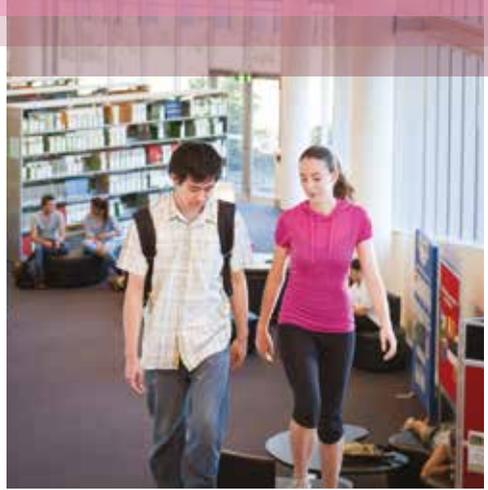

ECU'S INTERNATIONAL STUDENT TUITION FEE REFUND POLICY

ECU's International Student Tuition Fee Refund Policy applies to international students who do not begin or cease studying at ECU. The purpose of the policy is to clarify your entitlement to refund of fees and relevant processes, as required under government regulation. Visit www.ecu.edu.au/GPPS/policies to view ECU's International Student Tuition Refund Policy.

INDEPENDENT INTERNATIONAL STUDENTS CONCILIATOR

The Department of Education Services (Western Australia) offers a free mediation/conciliation service through the International Student Conciliator. The Conciliator attempts to resolve disputes between international students and institutions, as part of the institutions' internal complaints and appeals procedure. For example, you may be dissatisfied with some aspect of the education that is being offered by the institution.

The Conciliator is able to discuss issues of concern at any stage of the internal complaints and appeals procedure;

however, the Conciliator will not become actively involved in the case until the parties have attempted to resolve the dispute themselves and that attempt has failed.

Visit www.des.wa.gov.au/international_education/Disputes for more information.

VISA CONDITIONS

As an international student studying in Australia on a student visa, or other visa types, there are a number of conditions attached to the granting of your Visa.

Visit www.immi.gov.au/students to obtain more information.

SAFETY IN WESTERN AUSTRALIA AND AT ECU

We want you to have the most memorable and enjoyable experience while you are in Australia. While Perth is a safe, clean and friendly city, the most important advice that we can offer you when coming to study here is to remain vigilant and be aware of your personal surroundings.

This means not walking alone at night in dimly lit places, not accepting a car lift from strangers, knowing where your personal belongings and valuables are at all times – especially in public places, telling your friends of your whereabouts and knowing the relevant campus security and emergency assistance phone numbers.

Entry Requirements

STUDY ABROAD STUDENTS

You can apply for admission based on completion of one or more semesters at a recognised tertiary institution. If you are from a country where English is not the official language, you will need to meet ECU's English Entry Requirements. Your home university may have a study abroad representative who can assist with your application, or otherwise you can apply directly to ECU or through an ECU representative www.ecu.edu.au/international/study-in-australia/find-a-representative

EXCHANGE STUDENTS

You must be studying at an ECU exchange partner and be nominated by your home university to be considered for ECU's Student Exchange program. You must have completed two semesters of study as an undergraduate or one semester as a postgraduate at your home institution before commencing your exchange semester/s at ECU. If you are from a country where English is not the official language, you will need to meet ECU's English Entry Requirements. Contact the International Office at your home institution for further information on how you can be nominated to ECU's Student Exchange program.

UNDERGRADUATE ENGLISH ENTRY REQUIREMENTS:

- IELTS: 6.0 (no individual band less than 6.0)
- TOEFL: iBT 70 (no individual score less than 17)
- TOEFL: 550 (paper based) including TWE of 5
- GCE O Level: Grade C or better
- Pearson English Test: 57 with no score less than 50
- Perth International College of English (PICE): PICE Level 7
- Phoenix Academy: B2+ (no band less than B2+)

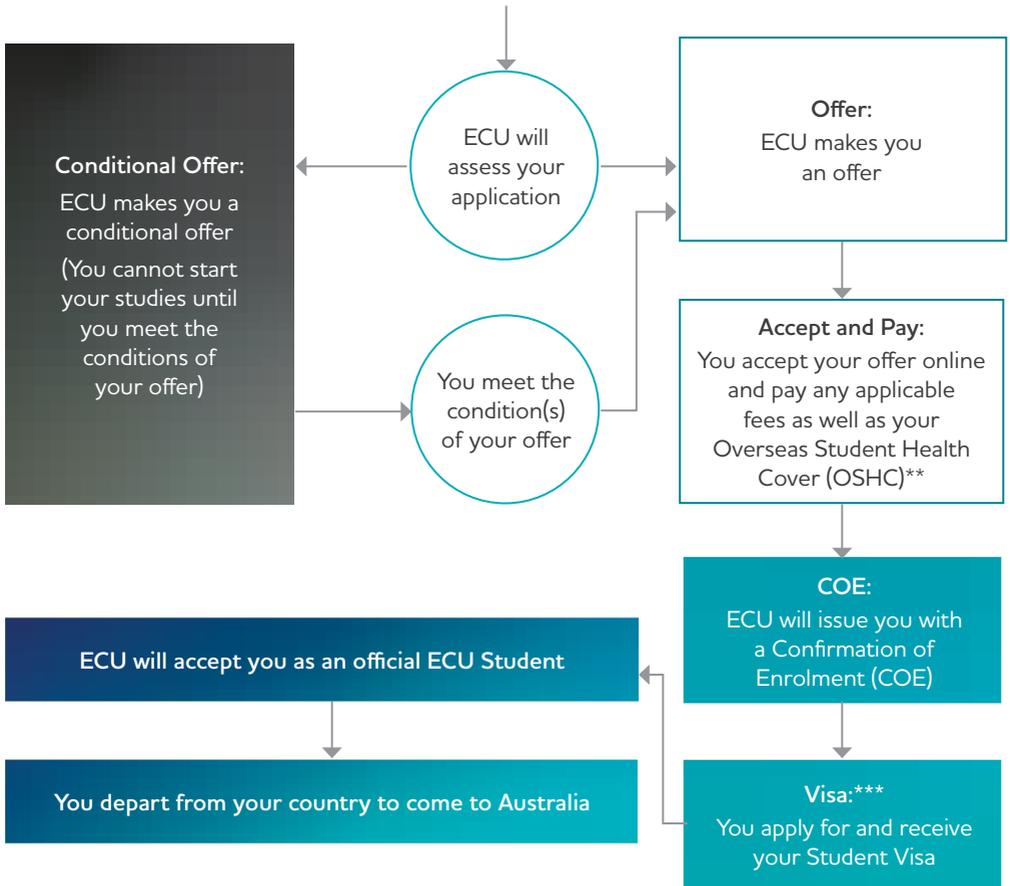

POSTGRADUATE ENGLISH ENTRY REQUIREMENTS:

- IELTS: 6.5 (no individual band less than 6.0)
- TOEFL: iBT 84 (with no score below 17)
- TOEFL: 573 (paper based) including TWE of 5.0
- Pearson English Test: 64 with no score less than 58

Application Process

Apply online to ECU – No application fee*
(reachyourpotential.com.au/apply/international)

PLEASE NOTE:

*There is no application fee.

**Overseas Student Health Cover (OSHC):

This is a compulsory Health Insurance that is required for the issuing of a Student Visa excluding students from Sweden and Norway. A government approved private health insurance provider currently administers OSHC cover at ECU. It covers most public hospital services and up to 85% of the fee charged for a visit to a private doctor. It also covers emergency ambulance transport and part of the cost of prescription pharmaceuticals.

***Visa Information: Please note that the visa application processes vary from country to country.

The Australian Diplomatic Mission in your home country or local ECU Representatives can give you up-to-date information on visa procedures. For more information or applications, please contact DIAC via their website www.immi.gov.au or the Australian Diplomatic Mission in your country.
