Please note that as of 2018, the Royal Conservatoire only considers Erasmus student applications as submitted online via the AEC online application system EASY, as developed by DreamApply:
<https://aec.dreamapply.com>

In the application, candidates should mention whether they will be a Bachelor, or a Master student during the upcoming Erasmus study period and also in which year of study (for instance: Bachelor 3, Master 1, etc.).

When entering the requested study subjects in the application, students should take the relevant curriculum as a reference and enter the relevant study subject names & codes and ECTS as published on the website of the Royal Conservatoire: <https://www.koncon.nl/en/programmes>

In general, applicants should not send any item to the Royal Conservatoire by regular mail! With their EASY online registration, students should UPLOAD the following documents/items:

- Curriculum Vitae (CV)
- Motivation
- Diplomas (if relevant)
- Transcript of Records (as issued by the home institution of the student)
- Media file(s): active web link(s) to an online platform (YouTube, Vimeo, etc.) where the media file(s) can be played.

Composition candidates should upload scores of at least three (preferably four) of their own compositions, together with audio recordings of the works.

For more detailed media requirements, check: <https://www.koncon.nl/en/apply>

Please note that without uploads of these documents/items (as above), the application cannot be considered!

The Erasmus application will be made available to the relevant department of study for selecting purpose.

If not selected for further process, candidates will be informed by e-mail.
