IMPORTANT INFORMATION

ASSOCIATED PROGRAMME COSTS

SCHOOL OF DRAMA, DANCE, PRODUCTION & FILM

Undergraduate Programmes within the School of Drama, Dance, Production and Film have a range of associated costs related to the specific activities required and advised by the programme team.

In order to ensure fairness and parity of experience in relation to certain core programme activities a payment to cover a proportion of necessary costs is required of the student **as part of matriculation**. Amounts vary by programme dependent on the specific demands of the subject and the amount of consumable materials and technical 'kit' used.

When and **how** to make payment and information on **what you should expect to receive in return** for your payment are in this document.

Non-payment:

Students should also be aware that in line with the Institutional Rules & Regulations, section 5.14: No person shall receive any degree or other qualification conferred by the Royal Conservatoire of Scotland unless all arrears of fees and any other sums due to the Conservatoire have been paid. This means that, normally such students will be excluded from attendance at Graduation until arrears of fees or any other sums due to the Conservatoire have been paid.
